Spring Newsletter 2023

Happy Spring to our family and friends! We hope our families have had a blessed holiday and winter season. Thankfully as this letter is being written the winter has been kind. We have been able to stay on top of memorial installations and have had some time for cosmetic projects while we haven't been mowing our lawns. As the weather improved, we will be moving to replant recent burials and areas in need of repair.

We are happy to announce a New Memorial Upgrade Program!

This program is available for any customers that has a pre-paid memorial with us. Our monument company will now give you current credit towards any upgrade in monument. We would be happy to meet with you to review design options.

The year of 2022 brought a close to another year of increased families served by Grabowski Funeral Home. Each passing year more and more families take advantage of the benefits available from the areas only combination funeral and cemetery provider.

Our insurance-based insurance funding is popular among our families because it can provide 100% coverage from day 1 to cover all your funeral and cemetery services. We have the only facility that can make these packages affordable and easy to understand. Our professionals always encourage families to make pre-arrangements to ease any burden on the family. Call us today.

Our therapy dog – Arnie – has been a popular asset to our operation. He is available during funeral services to our families and offers an immediate sense of peace and comfort. You can stop in most days to meet him.

And lastly, we are blessed to report the growth of our family. On Superbowl Sunday we welcomed Dow Dorset Hostetter – daughter to Eli & Shelby Hostetter – Shelby is the daughter of Frank and Janet Grabowski, and this is their fifth grandchild. Shelby is an attorney and works with our families to further secure their preplanning through wills, medical power of attorney, irrevocable trusts, and more. Shelby is available to meet with families by appointment.
