## YEAR IN REVIEW

Greetings from your friends at Schuylkill Memorial Park. We would like to wish our families and friends a Happy Holiday Season!

This year has brought forth new challenges and opportunities. We have broken ground on our new cremation garden and look forward to developing the area with the input of our families. Discounts are available as we grow this garden.

## CREMATION SOLUTIONS

Garden of Eternity will serve as a garden dedicated to cremation and serves as a peaceful place for our families to reflect. Our new - 72 unit niche - shown below; is near completion. This setting will offer benches to enjoy and other features as we grow. We welcome all our families to enjoy moments of reflection.

We are the only facility uniquely situated to handle all levels of service from the time of passing through committal in a final resting place. Our families are served by our facility from start to finish. This streamlines the process, eliminating redundant procedures and can make services less hectic and more cohesive. We are the ONLY facility with this ability.
